Invocations

Russ Anderson

When this invocation was first used, each person in a healing circle invoked a healer into (her/him)self. This was my invocation. The rest of the circle was asked to echo "Join us, Frigg" as I was saying "Join us. Frigg,". This was my first attempt at writing an invocation, and it DID work. I hope that it also works for anyone else who wishes to use it, because it now feels like time to share it.

Blessed Be, Russ
